

European ATV Overview

Pierre-André/HB9AZN

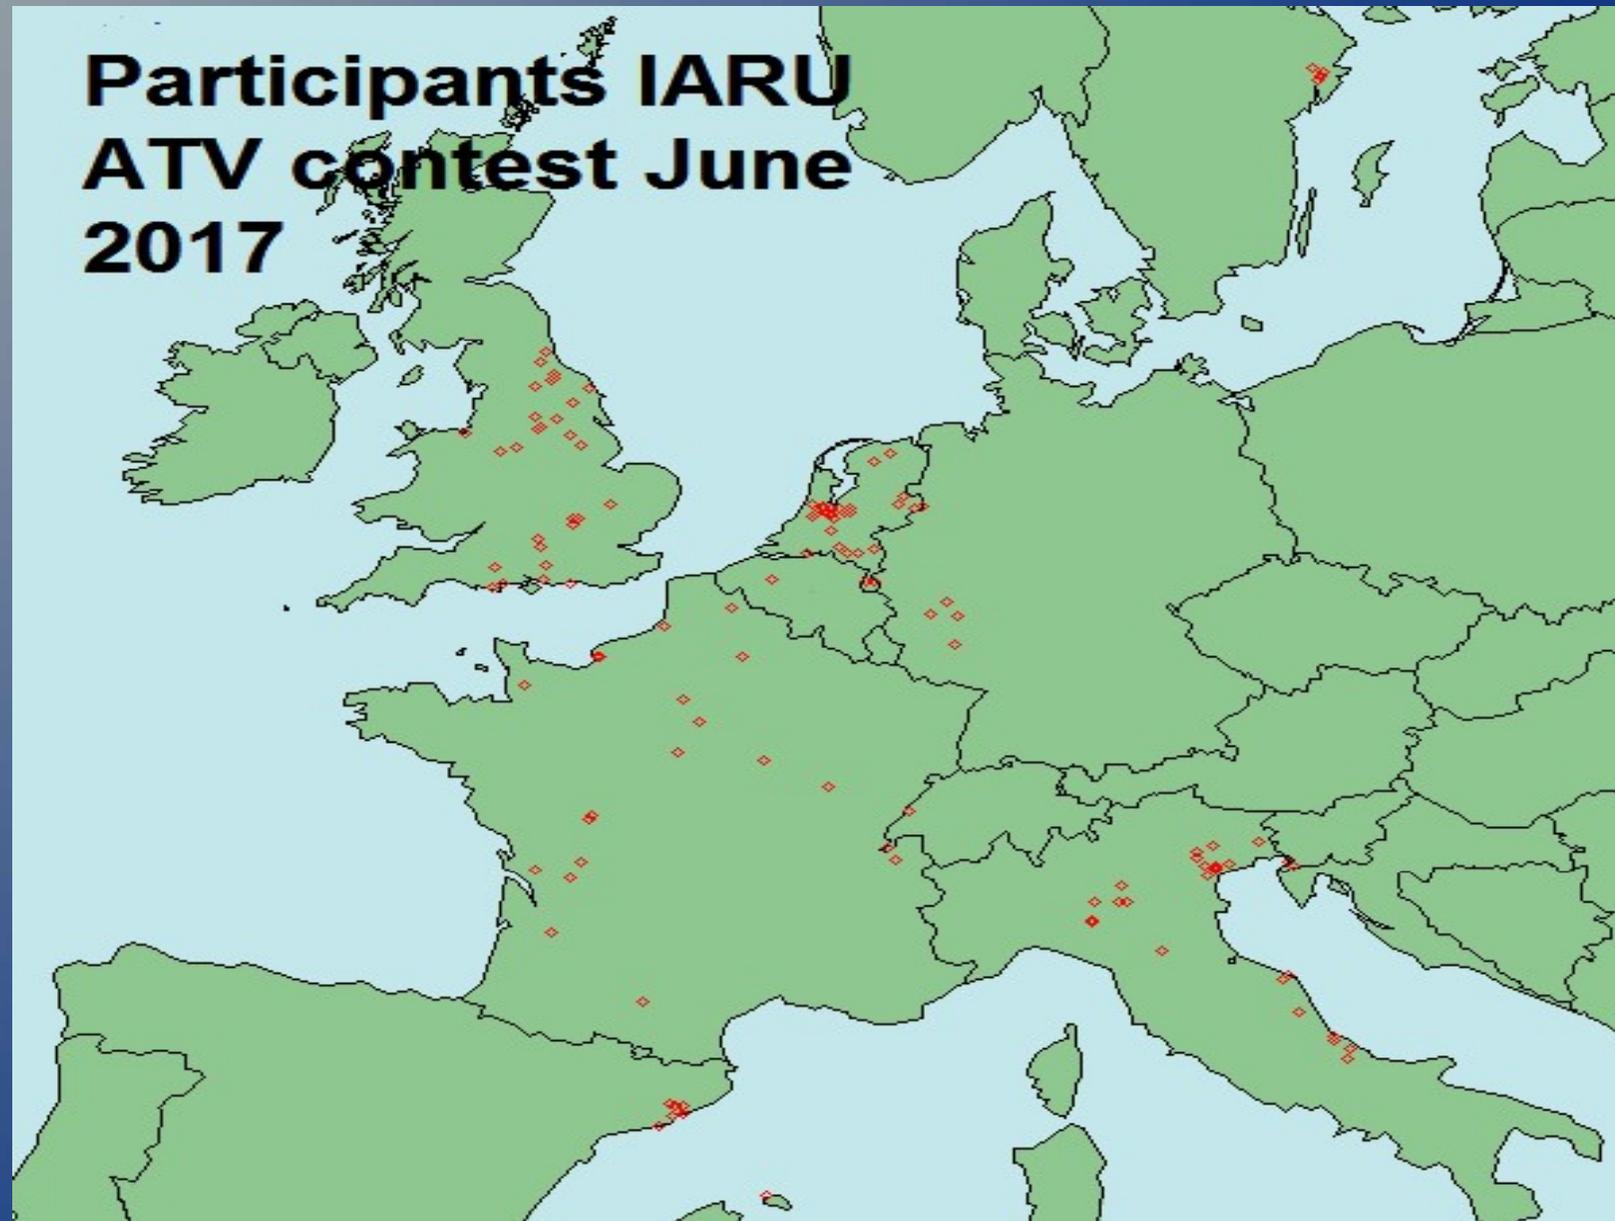

European ATV Overview

Objective : Promotion of ATV in Europe

- Better understanding of the organizations and activities in the various countries
- Improve the exchange of informations and sharing of experiences
- Identify topics of common interest (technical and regulatory)
- European ATV Forum as platform

European ATV Overview

ATV Conference at Hamradio 2018

European ATV Overview

First step : Collect informations about the organization of ATV community and activities in European countries with a questionnaire

- Organization
- Structure
- Activities
- ATV Repeaters
- Regulatory aspects
- Future developments

European ATV Overview

Where are we now ?

- Questionnaire sent to a first list of contacts in Austria, Belgium, France, Germany, Italy, Netherlands, Spain, Switzerland, UK
- Feedback limited, not enough information to bring a survey of ATV in Europe !
- Update the list of contacts and identify persons in missing countries

European ATV Overview

Some differences between Countries :

- Size of the Hamradio/ATV Community
- Structure
- Activities
- ATV-Repeaters
- Regulatory issues

European ATV Overview

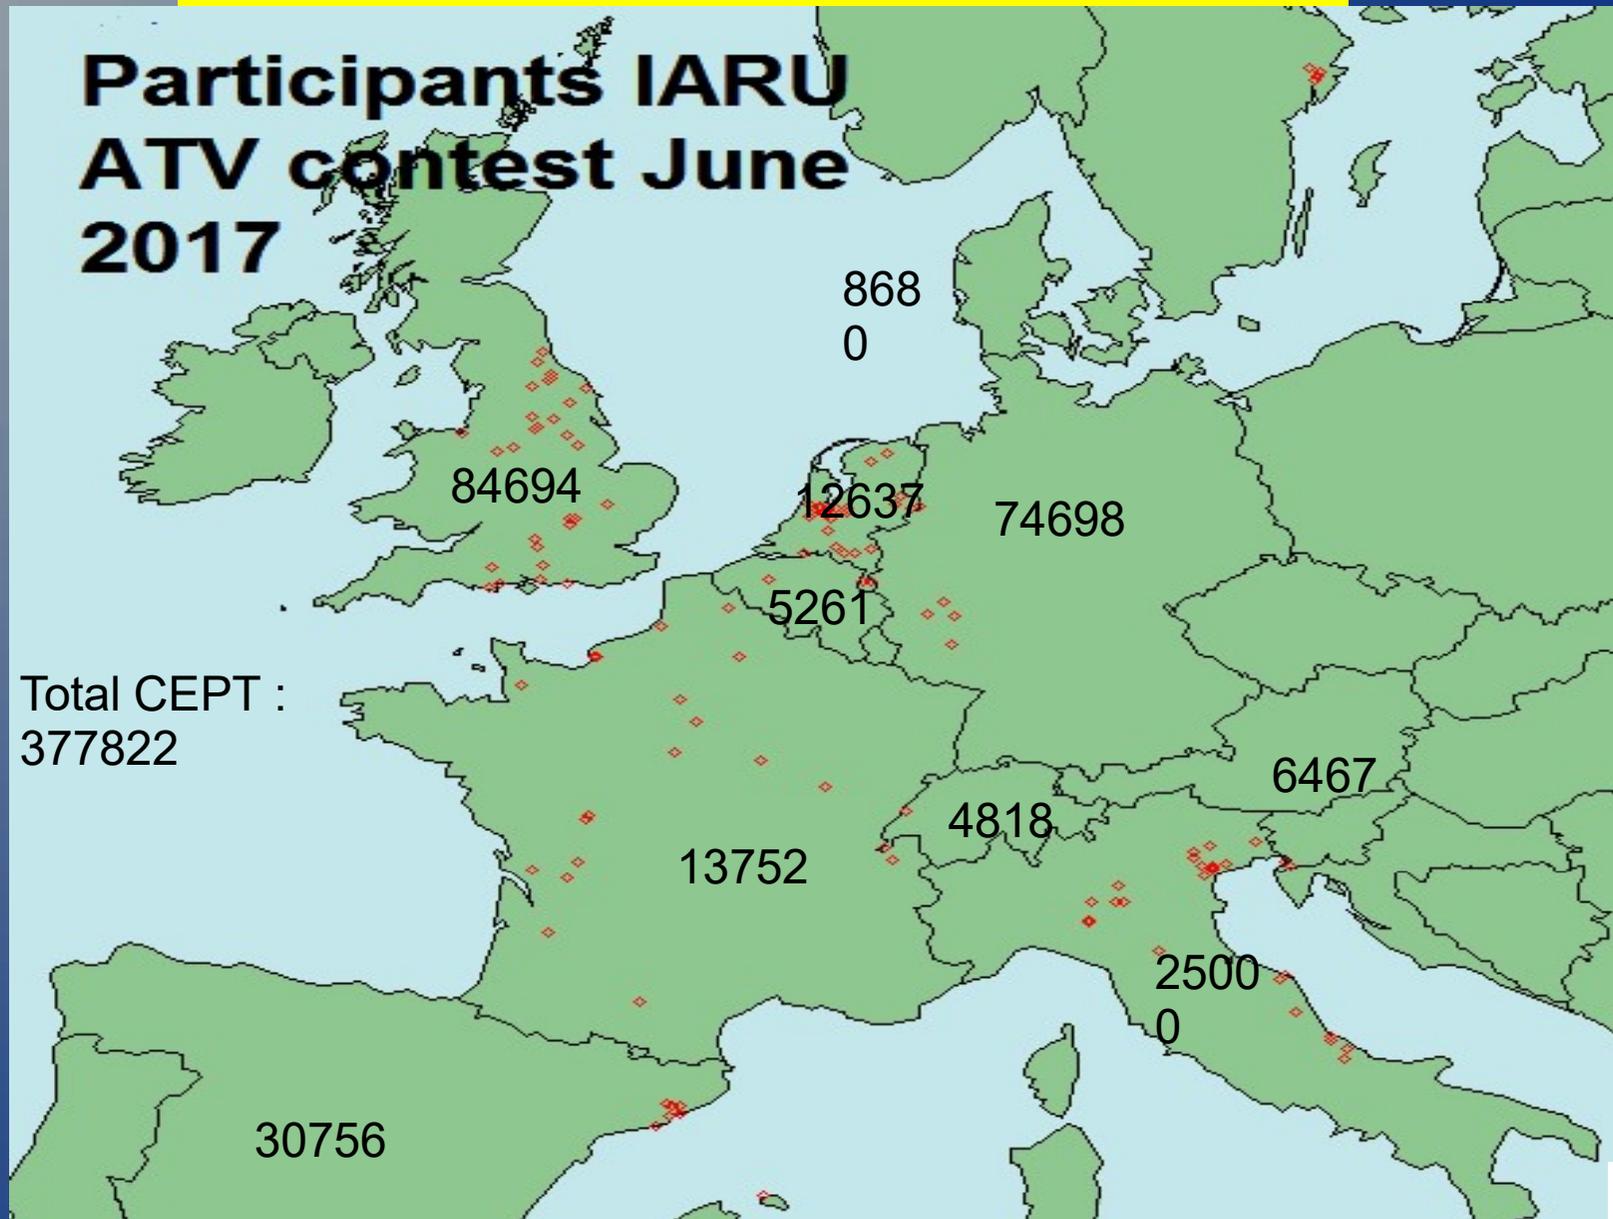

Next steps :

- Questionnaire on the EATF Website
www.eatf.org
- Update and extend the list of contacts :
--> we need your help !
- First edition of a report « ATV in Europe »
(end of 2018)

Contact : HB9AZN (probst-pa@bluewin.ch)

European ATV Overview

European ATV Overview

Conclusions :

- There is a big potential of licensed amateurs for DATV
- New technologies represent an opportunity to get young people on board
- Continue our efforts to promote ATV
- Encourage interested amateurs to join the core team of ambassadors
- EATF as platform : www.eatf.org
