- QO-100 Station Control
- Interactive Q & A Sessions
- EMF for Microwaves and QO-100
- DATV System Receiver Gain Distribution
- QO-100 Net 7:30 pm

Conduct of the Meeting

The logo consists of the letters 'BATC' in white, bold, sans-serif font, centered on a dark blue rectangular background. This rectangle is slightly tilted and is surrounded by a glowing blue circular ring that appears to be in motion, with a trail behind it. The entire logo is set against a larger, abstract blue background with curved lines and a gradient.

BATC

- Ask Questions in the Chat (Zoom or BATC Streamer)
- Don't put trivia in the chat
- You will be muted except during the lunchtime panel sessions
- Available on Zoom, BATC Stream and QO-100

BATC

Enjoy the Meeting
