BATC contest

 UK only for the digital NoV bands

 146MHz: 11 entries - winner G8GKQ,
2nd G8GTZ

 71MHz: none this year. Next year?

 Digital and contesting

Contest adjudication

-  Now easier due to Excel software
-  Still has minor bugs
-  Templates supplied for entries
-  More millimetre bands have been requested
-  *Don't modify please!!*

I hereby declare that I followed the rules and the spirit of the contest			
Date	<input type="text" value="11/06/2018"/>		
Signature (name)	<input type="text" value="David G Crump"/>		

Activity weekends

- 🗣️ Currently, 18 hrs from 1200UTC Saturday once a month. Too much or too little?
- 🗣️ Spreading over 2 days dilutes activity?
- 🗣️ Not everyone has free weekends, so:
- 🗣️ Weekday events? Perhaps similar to RSGB activity contests? Different evening on each month for a few hours?
- 🗣️ Make it more of a contest than just activity?
- 🗣️ Need your input please!

Finally...

 Thanks to Dave G8GKQ for 10 years
